We offer the 15-hours universal funding along with the extended 30 hours funding for eligible families. Both funding options are spread over 51 weeks a year, giving 11 hours a week for the 15-hours funding and 22 hours a week for the 30 hours funding. Further to this we are able to receive fee payments from Tax – Free Childcare accounts. This is a new Government scheme for working parents, whereby the Government pays £2 for every £8 you pay your childcare provider via an online account. Please speak to the nursery for further details. Two year old's being booked for 3 or more sessions per week, will be charged at the lower rate of 3-5 year olds.

We offer an all-inclusive care package on both funded and non-funded places, **that is all snacks, nappies, wipes, consumables and extracurricular activities e.g. sport sessions, nature sessions etc are included in our daily session fee.** Breakfast is served from 8am to 9am, we have snack at 10am and 3pm and our lunch hour is between 12pm and 1pm. Breakfast and snacks are provided by the nursery and lunch is provided by parents in the form of a packed lunch.

We operate a minimum of 2 sessions per week over 2 days policy, as some children find it difficult when they only come into nursery one day a week and we are unable to build a quality relationship with that child.

As part of our commitment to providing the best possible service to our families, we offer a range of sessions, meaning childcare can be tailored closely to your needs, ensuring that you are spending money on top quality care at the times you need it. We hope you will see our fairness in the pricing system and is competitive and comparable to childcare settings in the local area. **To receive a no obligation, customised weekly and monthly quote and to seek guidance on funding eligibility please email us at hello@ashdowndaynursery.co.uk**

Any additional hours in addition to the session times may be booked (subject to availability) and will be charged at the non-funded rates. We do not charge registration fees, just a refundable deposit of £100 which is refunded when the child leaves nursery. We invoice in advance at the beginning of each month for all the contracted hours. Invoices will be calculated as weekly session fees * 51 weeks divided by 12 to give a constant monthly invoice. Notice period to reduce number of sessions or leave the nursery is one month.

**15 HOURS UNIVERSAL FUNDING / 30 HOURS EXTENDED FUNDING / TAX-FREE CHILDCARE
